### Cuisine Internationale

10 Years of Q42

Time for a change.

After running successfully now for 10 years, here at Q42 we thought it was time for a bit of a clean up and renovation. We have been Luxembourg's leading pool hall and sports bar for some time, but one thing it always lacked has been the culinary side of things, so we are currently building and installing a brand new kitchen.

So we have teamed up with our good friends from Oscar's Bar (in the Grund), installed a brand new kitchen and opened a restaurant. Now it is one of those nice places to eat in Luxembourg, especially in the Gare area.

### Best burgers in the area

We are proud to present our burgers, home made in our kitchen served with greens and French fries. Check out our Menu also for other dishes, as well as the always new and delicious offers of the week.
